SUB.: WWF- INDIA'S ONE PLANET ACADEMY AND WILD WISDOM QUIZ.

Dear Sir/Madam,

Our planet Earth has the privilege of being the only planet habituated by beautiful and diverse forms of wildlife. We must assume responsibility for wildlife conservation and make efforts to encourage our present generation to seek solutions through education.

WWF-India's digital resource centre for environment education **One Planet Academy's Biggest Event - The Wild Wisdom Quiz** provides an opportunity and platform to bring Cubs, Bulbuls, Scouts, Guides, Rovers and Rangers closer to nature and spark a passion in them for nature conservation. The quiz is an ideal platform to reach out to young minds and inculcate a sense of biodiversity conservation amongst them. This year, the theme for the quiz is **Exploring Our Planet** focusing on the planet's most diverse biomes and the species thriving in them.

All participating Cubs, Bulbuls, Scouts, Guides, Rovers and Rangers will be able to:

- Register free on WWF-India's One Planet Academy (<https://academy.wwfindia.org/>), and access engaging environment education resources aligned to the school curriculum and prepare for the quiz.
- Receive E-newsletters called '**Wisdom Nuggets**' that offers summer holiday projects, online practices quizzes and lots more to build your environment quotient and prep up for the quiz.
- Get invites for participation in One Planet Academy's Annual conferences for Unit Leaders and Cubs, Bulbuls, Scouts, Guides, Rovers and Rangers (wherever applicable).
- Receive a participation certificate.

The quiz is open to the following:

- Primary School (Cubs and Bulbuls): Classes (3-5),
