President’s Message

The Bharat Scouts and Guides has established itself as a motivator of the society through its disciplined activities since its inception. Our Patrons from the first President of India Dr. Rajendra Prasad to the present Rashtrapati Ji contributed to establish high standard of performance for this organisation. Everyone who is associated with this association played a role in growth of the organisation and no role is too small in establishing an enormous organisation.

When people discuss of population at some quarters it is treated as a curse. However, if population is handled with imagination and initiatives with scope for skill development this can become a boon instead of a curse. Our movement is presently having population of 5.7 million youth members and we now plan to reach 10 million members by 2020-21.

National Headquarters is taking initiatives to reach out every segment of our community to associate them as registered or associate members to strengthen the country, so that we can have a better say in the world.

Dr. Anil Kumar Jain
National President

Bharat स्काउट्स एंव गाइड्स संसथा समाज के अन्दर अपने अनुशासनात्मक क्रियाकलापों से देश के सामने एक प्रतिस्पर्धी पूर्वक बनी है। भारत के प्रथम राष्ट्रपति डॉ. राजेन्द्र प्रसाद से लेकर अब तक के राष्ट्रपतियों ने संसथा के आगे का मुकाम तय किया है तथा उनका आशीर्वाद हमें प्राप्त है।

संसथा से जुड़े हुए संगठन में किसी सदस्य का भी किरदार कम नहीं होता है। हम सबको अपना-अपना दायित्व निभाकर संगठन को एक बड़ा स्वरूप देने के लिये समर्पित भाव से काम करना है।

जब समाज के भिन्न-भिन्न स्तरों में आबादी के बारे में चर्चा की जाती है, उससे एक अभिशाप मानते हैं। जबकि यह ऐसा नहीं है। कौशल विकास, कल्पना की पहल के साथ आबादी को अभिशाप के स्थान पर एक वरदान में बदला जा सकता है। हमारे संगठन के साथ अब ५७ लाख युवा सदस्य पंजीकृत हैं। वर्ष २०२०-२१ तक हमें १ करोड़ युवाओं को संगठन के क्रियाकलापों के साथ जोड़ना है।

राष्ट्रीय मुख्यालय द्वारा समाज के हर कोने में इस संदेश को पहुंचाने के लिये युवाओं को संसथा के सदस्य या सहयोगी के रूप में पंजीकृत कर देश के अन्तरिक्ष विकास को बढ़ावा देने का प्रयास किया जा रहा है ताकि हम विश्व में अपनी एक महत्वपूर्ण भूमिका निभाएं।

(डा. अनिल कुमार जैन)
राष्ट्रीय अध्यक्ष
During the last 65 years, the Bharat Scouts and Guides provided education on Patriotism, Community Service, Nature Study, Environmental Safety and Skills to lakhs of young people in the Country.

As per our advancement programme by the time a youth reach the stage of adult is given training to serve his community as an individual away from the organisation. However, the organisation could not make any successful intervention to address the inquisitiveness of those who wanted to join with the organisation and serve the community.

When I speak to people of different strata on various occasions they expressed that the organisation should make opportunities for those people who were trained by the association to be part of the organisation to contribute their skills for effective development of the community. At the National Headquarters level, we have started thinking to create such service groups in the community to be registered in some form to organise them and contribute to the community.

In Colleges, Universities, Institutions of Medical and Technical Education, Industrial and other institutions we can initiate organising such service groups and contribute for the development of the community. Those who want to be the part of the organisation and contributes to the development of the community through our movement can register with such groups.

Every Non-Governmental social service organisation depends on philanthropist and its own members for generating resources for organising the activities. In the Bharat Scouts and Guides we have well designed recognition plan for those who support the association philanthropically.

I hope that all the state associations will take effective steps to generate financial resources for its activities.

With Scouts and Guides Greetings,

Dr. K. K. Khandelwal, IAS (Retd.)
Chief National Commissioner

From Editor's Desk

The 150th birth anniversary of Mahatma Gandhi will be celebrated by the nation with year long programmes from 2nd October 2019.

The Scout/Guide movement is one such movement which practises the teachings of Mahatmaji through action oriented education programmes. While celebrating the birth centenary of Mahatmaji in 1969, our illustrious National Commissioner Mrs. Lakshmi Mazumdar (Late) promoted programmes for national integration to promote peace, equally and spirit of science to mankind.

The “All Faiths Prayer” in a structured form is the outcome of the birth centenary celebrations. Today the “All Faiths Prayer” has become an integral part of our training, events and programmes. “Spiritual growth” in the members of the movement is promoted through this activity.

We invite suggestions and best practices on sanitation, skill development and communal harmony to include in our action plan for the 150th birth anniversary celebrations of Mahatma Gandhi.
