THOUGHT FOR THE MONTH

The weak can never forgive. Forgiveness is an attribute of the strong.

कमज़ोर कभी माफ नहीं कर सकते।
क्षमा बलवान का एक गुण है।

—महात्मा गांधी
We will be celebrating 150th Birth Anniversary of Mahatma on 2nd October, 2019. As a gratitude to Mahatma, we have decided to do good deeds that can foster peace and friendship among every living and non-living things on Mother Earth.

The Bharat Scouts and Guides is privileged to get the compliments of Mahatma who once said “I Pray that every home in India may have children trained like Scouts and Guides”. When we celebrated the centenary of Mahatma, the “All Faith Prayer” was adopted to foster religious harmony. Selected hymns in the form of “Hamare Solah Geet” were introduced and being used at all levels of the gatherings of Bharat Scouts and Guides for the last 50 years.

Our Prime Minister had called for action by each individual to promote the teachings of Gandhi as a way of life. I call upon every Scout/Guide to register himself/herself to request for “Karyanjali” on the website of ministry of culture and post our good deeds as homage to Mahatma. The National Headquarters is drafting a plan of action for year-long celebration of 150 years of Mahatma and contribute in creating a better India.

I wish every one of us will set an example by our deeds in remembering Mahatma during the 150th year celebration of Mahatma.

With good wishes

Dr. Anil Kumar Jain,
National President

The month of August has its own significance for all the members of scouts and guides fraternity. The two very important celebrations i.e. Scout Scarf Day on 1st August and Indian Independence Day on 15th August are celebrated by all of us throughout the country.

World Scout Scarf Day is an effort to encourage active and former scouts worldwide to wear their neckerchiefs in public annually as a symbol of the scout promise and the spirit of scouting. On this occasion scouts stand together and wear scout scarves in public to make the “spirit of scouting visible”. Once a scout – always a scout. It is earnest call to all scout alumni to wear your scarves on World Scarf Day and be proud to be a scout.

The scarf is only a symbol but a strong symbol for the scout promise and for over scout mission to leave the world a bit better place than we had found it. The scout’s promise is about being in the spirit of upholding scout law, which includes being loyal, trustworthy, helpful to others, courageous, disciplined, thrifty and overall a good citizen.

The month of August is full of festivities. Festivals like Teej, Raksha Bandhan, Janmashtami are celebrated during this month.

The Independence Day reminds us about the dawn of a new beginning. We remember the sacrifices of many freedom fighters on this day who laid down their lives for attaining independence. Never forget their sacrifices. Freedom is something that money can’t buy, it’s the result of the struggles of many brave hearts. Let us salute them today and always. It makes my heart beat with pride, to see the colors of Independence Day spreading happiness and great joys all around. May the glory of Independence Day be with us forever. May our Independence Day be filled with patriotic spirit. Rejoice and celebrate this day with pride. Independence Day greetings to all Scouts and Guides. On this Independence Day, let's take a pledge to protect the peace and unity of our great nation. On this special day here's wishing our dreams of a new tomorrow come true!

It is expected that the members of the scouts and guides movement will organize awareness campaigns, march pasts, peace marches, quiz competitions and essay competitions at all levels throughout the country to celebrate our Independence Day with zeal and enthusiasm.

With Scout Guide Greetings.

THOUGHT FOR THE MONTH

The weak can never forgive. Forgiveness is an attribute of the strong.

कमजोर कभी माफ नहीं कर सकते। क्षमा बलवान का एक गुण है।

—महात्मा गाँधी
We will be celebrating 150th Birth Anniversary of Mahatma on 2nd October, 2019. As a gratitude to Mahatma, we have decided to do good deeds that can foster peace and friendship among every living and non-living things on Mother Earth.

The Bharat Scouts and Guides is privileged to get the compliments of Mahatma who once said “I Pray that every home in India may have children trained like Scouts and Guides”. When we celebrated the centenary of Mahatma, the “All Faith Prayer” was adopted to foster religious harmony. Selected hymns in the form of “Hamare Solah Geet” were introduced and being used at all levels of the gatherings of Bharat Scouts and Guides for the last 50 years.

Our Prime Minister had called for action by each individual to promote the teachings of Gandhi as a way of life. I call upon every Scout/Guide to register himself/herself to request for “Karyanjali” on the website of ministry of culture and post our good deeds as homage to Mahatma. The National Headquarters is drafting a plan of action for year-long celebration of 150 years of Mahatma and contribute in creating a better India.

I wish every one of us will set an example by our deeds in remembering Mahatma during the 150th year celebration of Mahatma.

With good wishes

Dr. Anil Kumar Jain,
National President
The Bharat Scouts and Guides

July 2019
The month of August has its own significance for all the members of scouts and guides fraternity. The two very important celebrations i.e. Scout Scarf Day on 1st August and Indian Independence Day on 15th August are celebrated by all of us throughout the country.

World Scout Scarf Day is an effort to encourage active and former scouts worldwide to wear their neckerchiefs in public annually as a symbol of the scout promise and the spirit of scouting. On this occasion scouts stand together and wear scout scarves in public to make the “spirit of scouting visible”. Once a scout – always a scout. It is an earnest call to all scout alumni to wear your scarves on World Scarf Day and be proud to be a scout.

The scarf is only a symbol but a strong symbol for the scout promise and for our scout mission to leave the world a bit better place than we had found it. The scout's promise is about being in the spirit of upholding scout law, which includes being loyal, trustworthy, helpful to others, courageous, disciplined, thrifty and overall a good citizen.

The month of August is full of festivities. Festivals like Teej, Raksha Bandhan, Janmashtami are celebrated during this month.

The Independence Day reminds us about the dawn of a new beginning. We remember the sacrifices of many freedom fighters on this day who laid down their lives for attaining independence. Never forget their sacrifices. Freedom is something that money can't buy, it’s the result of the struggles of many brave hearts. Let us salute them today and always. It makes my heart beat with pride, to see the colors of Independence Day spreading happiness and great joys all around. May the glory of Independence Day be with us forever. May our Independence Day be filled with patriotic spirit. Rejoice and celebrate this day with pride. Independence Day greetings to all Scouts and Guides. On this Independence Day, let's take a pledge to protect the peace and unity of our great nation. On this special day here's wishing our dreams of a new tomorrow come true!

It is expected that the members of the scouts and guides movement will organize awareness campaigns, march pasts, peace marches, quiz competitions and essay competitions at all levels throughout the country to celebrate our Independence Day with zeal and enthusiasm.

With Scout Guide Greetings.

Dr. K.K. Khandelwal, IAS (Retd.)
I am aware that all the Rovers, Rangers, Scouts, Guides, Cubs, Bulbuls and Unit leaders are eagerly waiting for the August month as the month has its own importance. The Scout Scarf Day and Independence Day on 1st and 15th August respectively to be celebrated by all of us.

Govt. of India is commemorating 150th birth anniversary of Mahatma Gandhi for a period of two years from 2nd October 2018 to 2nd October 2020. We are doing lots of work based on Gandhi’s theme like Swachh Bharat, All Faith Prayer Meetings, Quiz on Mahatma Gandhi and Cultural Exchange Programmes etc.

Let this time the Scout Scarf Day be celebrated in different ways. We can organise rallies, exhibition of scarf with Gandhi’s theme and organise different competitions on Mahatma Gandhi and a beautiful scarf to be presented to the winner and non-scouts/guides. Have visits to different offices; take oath from them to follow the Gandhi’s thoughts and our promise and present scarf to them.

On Independence Day, organise essay/slogan writing, drawing and painting competition on our national hero’s and their contribution to the nation. We can have play act on them to give respect to legends for sacrificing their life for the nation.

Our President Dr. Anil Kumar Jain and Chief National Commissioner Dr. K.K. Khandelwal who are fully devoted towards the movement and had a meeting with the officials of Rashtrapati Bhawan and President also met with the Hon’ble Prime Minster and discussed some important issues related to development of the movement. We expect the good news from the respected offices of the President and the Prime Minister shortly.

Wish you all a very Happy Scout Scarf Day and Independence Day.
